

September 1ST, 2025

Hi Everyone

It is that time of year again to start our renewal period. This year there are some changes we would like you to be aware of as it is important to your membership.

We have put a deadline for renewals to be returned to us to keep your membership current and in good standing and avoid being dropped to our waiting list. The drop-dead date is **DECEMBER 31ST, 2025**. Once we have surpassed that date if you have not renewed, we will go to the waiting list and start to contact the first persons on that list to fill our membership until we reach our capped total of 1200. So please keep that in mind and do not delay in getting your renewal in on time. (**It is your responsibility to ensure that YOUR renewal reaches us before the deadline date**)
